Independent auditors' report to the members of Tinahely Courthouse Limited

We have audited the financial statements of Tinahely Courthouse Limited for the year ended 31/12/14 on pages 5-12 which comprise the Income & Expenditure Account, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is Irish Law and accounting standards issued by the Financial Reporting Council and promulgated by the Institute of Chartered Accountants in Ireland (Generally Accepted Accounting Practice in Ireland).

Respective responsibilities of directors and auditors

As explained more fully in the statement of directors' responsibilities the company's directors are responsible for the preparation of the financial statements giving a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with Irish law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's (APB's) Ethical Standards for Auditors.

This report is made solely to the company's members, as a body, in accordance with Section 193 of the Companies Act, 1990. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the company's circumstances and have been consistently applied and adequately disclosed; the overall reasonableness of significant accounting estimates made by the directors; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Independent auditors' report to the members of Tinahely Courthouse Limited (continued)

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view, in accordance with Generally Accepted Accounting Practice in Ireland, of the state of the company's affairs as at 31/12/14 and of its profit and cash flows for the year then ended; and
- have been properly prepared in accordance with the requirements of the Companies Acts 1963 to 2013.

Emphasis of matter - Going concern

In forming our opinion, which is not qualified, we have considered the adequacy of the disclosures made in Note 15 to the financial statements concerning the company's ability to continue as a going concern. The continued existence of the company is dependant on receipt of non-repayable grant aid from the Arts Council and Wicklow County Council. These conditions indicate the existence of material uncertainties which may cast significant doubt about the company's ability to continue as a going concern. In view of the significance of the fact that the preparation of the financial statements on a going concern basis assumes the continued receipt of grant support, we consider that these disclosurs should be brought to your attention.

Matters on which we are required to report by the Companies Act 1963 to 2013

- We have obtained all the information and explanations which we consider necessary for the purposes of our audit.
- In our opinion proper books of account have been kept by the company.
- The financial statements are in agreement with the books of account.

Matters on which we are required to report by exception

We have nothing to report in respect of the provisions in the Companies Acts 1963 to 2013 which require us to report to you if, in our opinion the disclosures of directors' remuneration and transactions specified by law are not made.

14. Company Limited by Guarantee

The company is one limited by guarantee not having a share capital. The liability of each member, in the event of the company being wound up is an amount not exceeding one pound (£1 equals €1.27 approximately).

15. Going Concern

The continued existence of the company is dependent on the continued receipt of non repayable grants from the Arts Council and Wicklow County Council. The directors have concluded that these circumstances represent the existence of material uncertainities which may cast doubt upon the company's ability to continue as a going concern and therefore that it may be unable to realise its assets and discharge its liabilities in the normal course of business. However, the directors have a reasonable expectation that the company will continue to receive an adequate level of financial support from the Arts Council and Wicklow County Council to allow the company to continue in the future. If for any reason funding was to decrease, the directors would reduce project costs in line with any funding decreases. For these reasons, they continue to adopt the going concern basis of accounting in preparing the annual financial statements.
